ZERO:FIFTYONE

Zerofiftyone is just ten minutes from Brighton along the A259 - South Coast Road.

If visiting from London, travel south on the A23 towards Brighton.

On approaching the Brighton area, follow signs for Lewes and the A27. Carry along the A27 to Falmer taking the turning signposted for Rottingdean (B2123), just past Sussex University. Continue on this road, through Woodingdean, into Rottingdean. Follow the one way system and turn left at the traffic lights onto the A259.

Follow the coast road through Saltdean and straight over the first roundabout (Texaco on left). Continue straight over the next roundabout (park on right). Before you get to Barclays Bank, turn left into the public car park. Once parked, walk back along the coast road, the way you have just travelled. Zerofiftyone is situated at the side of Brian Marshall Estate Agents.

Alternatively, Brighton is our nearest mainline train station. Trains between London and Brighton are very frequent. There are also regular buses from Brighton to Peacehaven, with buses stopping very close to our studio.
